## THE GAMBIA STANDARDS BUREAU

The Gambia Standards Bureau is a statutory Government specialized Agency established by The Gambia Standards Bureau Act 2010 to standardize products, methods, systems and for connected matters. Hence, the Bureau is the sole National Standardization Body. As such, it has been a member of International Standardization Bodies such as the International Organization for Standardization (ISO) since 2011, International Electrotechnical Commission (IEC) and the Standards and Metrology Institute for Islamic Countries (SMIIC) from 2012.

The objectives of the Bureau, as specified in its Act, are to: establish and promulgate standards for imported and locally-produced goods; facilitate domestic and international trade; foster and promote standards both for industrial efficiency and advancing economic development; promote the health and safety of consumers; enhance international cooperation in relation to standards and standardization. Thus, the National Quality Policy details the responsibilities of the Bureau in Standardization, Metrology and Conformity Assessment services in Testing, Inspection and Certification.

Therefore, the functions, of the Bureau are to define, prepare, publish, modify or amend Standards Specifications as well information-dissemination of standards. In addition to providing Testing, Inspection and Certification services for goods, systems and processes independently or in relation to conformity with its Standards Mark, the Bureau also conducts training and research. In Metrology, the Bureau serves as the custodian of primary national reference measurement standards through its National Metrology Laboratories and conducts calibration of measurement devices and physical standards.

The development of Gambian Standards (GAMS) is carried out by the Bureau through Technical Committees composed of a balanced representation of stakeholders, as may be appropriate to the subject in question. The Bureau ensures that Standards are developed in accordance with the *ISO/IEC Guide 21-1:2005: Regional or National adoption of International Standards and other International deliverables* and the *World Trade Organization Code of good practice for the preparation, adoption and application of standards*. To the greatest extent possible, Gambian Standards are aligned to or are adoptions of relevant international standards.

For further information on and copies of Gambian Standards, please contact The Gambia Standards Bureau.

## **COMMITTEE REPRESENTATIVES**

The Technical Committee on National Food Standards which supervised the development of this Gambian Standard consists of representatives from the following organizations:

**National Codex, Sanitary and Phytosanitary Committee (NCSPSC)**

**Food Safety and Quality Authority of The Gambia (FSQA)**

**National Nutrition Agency (NaNA)**

**Food Technology Unit of Department of Agriculture (FTU-DOA)**

**Animal Health and Production Services (AHPS)**

**Plant Protection Services (PPS)**

**National Agricultural Research Institute (NARI)**

**National Association of Food Processors (NAFP)**

**National Poultry Farmers Association of The Gambia (NPFA)**

**National Women Farmers Association (NAWFA)**

**Consumer Protection Association of The Gambia (CPAG)**

**Jawneh and Family Cashew Farm (JFCF)**

**Agribusiness Services and Production Association (ASPA)**

**Gambia Livestock Marketing Agency (GLMA)**

**Fisheries Department**

**Association of Fishing Companies**

The Working Group on Processed Food Products which developed this Gambian Standard consists of representatives from the following Organizations:

**Plant protection Services**

**National Agricultural Research Institute**

**Food Safety and Quality Authority of The Gambia (FSQA)**

**National Nutrition Agency (NaNA)**

**Food Technology Unit of Department of Agriculture (FTU-DOA)**

**Consumer Protection Association of The Gambia (CPAG)**

## FOREWORD

The Gambia Standards Bureau (TGSB), in conformity with international best practice, coopted the National CODEX, Sanitary and Phytosanitary Committee (NCSPSC) as its Technical Committee (TC) on Food Standards. The Secretariat for this TC is the Bureau. This TC adopted the CODEX Standard for Honey. The Procedure for adoption was the *ISO/IEC Guide 21-1 - Regional or national adoption of International Standards and other International Deliverables - Part 1: Adoption of International Standards*. The method of adoption was Direct Adoption.

This Gambian Standard applies to all honeys produced by honey bees and covers all styles of honey presentations which are processed and ultimately intended for direct consumption.

The Standard addresses the following:

- Scope and description;
- Composition and quality factors;
- Contaminants;
- Hygienic requirements;
- Labeling requirements.
- Sampling and analysis.

This Standard can be obtained from The Gambia Standards Bureau.

## SCOPE

Part One of this Standard applies to all honeys produced by honey bees and covers all styles of honey presentations which are processed and ultimately intended for direct consumption. Part Two covers honey for industrial uses or as an ingredient in other foods.

Parts Two of this Standard also covers honey which is packed for sale in bulk containers, which may be repacked into retail packs.

## DEFINITION

Honey is the natural sweet substance produced by honey bees from the nectar of plants or from secretions of living parts of plants or excretions of plant sucking insects on the living parts of plants, which the bees collect, transform by combining with specific substances of their own, deposit, dehydrate, store and leave in the honey comb to ripen and mature.

2.1.1 Blossom Honey or Nectar Honey is the honey which comes from nectars of plants.

2.1.2 Honeydew Honey is the honey which comes mainly from excretions of plant sucking insects (*Hemiptera*) on the living parts of plants or secretions of living parts of plants.

Only the informative sections of standards are publicly available. To have access to the full standard, you will need to purchase the standard from The Gambia Standards Bureau. You can contact the Bureau on TEL: 4464210, Email: [info@tgsb.gm](mailto:info@tgsb.gm)
